SKETCH #3 — #CMVirtualCrop3November2025

TIPS

- I had a very small amount of Hearfelt Noteworthy left. I balanced the colors and patterns between the two pages. Behind the photos, I used Bright White paper 1/8" larger than the photo to make it pop from the patterned paper.
- My dimensions are almost all the same other than the blue heart strips on the right page. I only had 10" strips left, and it looks just fine! Instead of (2) 4 x 6 photos, I used a 6 x 4 photo and 4 x 4 photo.
- We loved the bells that rang at noon in Curacao. I have a video of the music, and I took a photo of the bells. Then I went one step further and made a QR code of the video. Years from now, we will be able to listen to this memory again!
