Step 1: Use the Dots patterned paper as base. Splatter Rich Cocoa ink on the top left and bottom right of the page.

TIP: If desired, the remaining pieces on the page are edged with Rich Cocoa ink. This adds depth and interest to your page.

Step 2: Cut (1) 4" x 12" piece of the Stars patterned paper. Adhere this piece 1½" from the left edge. Cut (1) 1" x 12" piece of the Dark Wood patterned paper. Place directly to the right of the Stars paper. Finish this section by placing a wooden knobs sticker border where the papers meet.

Step 3: Next, cut (1) 6" x 8" of the Beige Plaid paper. Adhere 2" from the left edge and bottom of the page.

Step 4: Cut (1) 3¼" x 4¼" and (2) 4¼" x 4¼" pieces of the Paper Texture printed paper. Add photos to these photo mats. First, adhere the smallest mat 2" from the top and 2¾" from the right edge of the page. Place a larger mat 1/8" below and aligned with the left side of the upper mat. The final mat is 2½" from the left side and 2¾" from the bottom of the page. **TIP:** If you add thin foam squares to the final mat, it makes that photo the focal point of the page.

Step 5: Cut the Cuteness Overload Mat card in half. Tuck the green side under the top two mats. Tuck the other side on the right side of the photos as a journaling block.

Step 6: Finish by adding stickers using thin foam squares as desired.
