Step 1: Use Plaid Designer Paper as your page base.

Step 2: Cut (1) 10 ¾" x 10 ¾" piece of Hot Fudge cardstock. Gut out (2) 4-1/8" x 4-1/8" squares from center of Hot Fudge.

- STENCIL WORK: Cut a piece of 10 ½" x 10 ½" Bright White cardstock. 1) Place the Plaid stencil at the top left corner. With Potter's Clay ink, use a light hand. The ink will be darker at the corner and become lighter as you fall into an angle. Use this same technique at the bottom right corner. 2) Place the center of the Weathered Rings stencil by the angle of the Plaid. Use a light hand and circular motion to stencil rings. 3) Splatter Toffee Crunch ink over your stenciled areas. Adhere the Bright White cardstock to the Hot Fudge piece and center them in the middle of the Autumn Abundance Plaid paper.

Step 3: Cut (2) pieces of dark Pumpkin Designer paper. Place the 4-1/8" square pieces in the center. Next, cut (2) 4" Bright White cardstock squares. Adhere these over the Hot Fudge photo mats. Place the left layered mat 1 ½" from the left and 4" from the bottom edges. The right photo mat is 1 ½" from the right and 3 ¾" from the bottom edges.

Step 4: Find the mat card that says Flannel Season. Cut the words separately from each other. They should be 4" x 1". Dovetail the right ends. Now, find the card that says Pick of the Patch. Cut (2) ½" strips from the top and bottom. Cut one to 5 ½" long and one to 6". Dovetail the right ends. Adhere Flannel to the shorter piece and Season to the other. Add them to the bottom left of the page.

Step 5: Finish the page with embellishments and stickers, using 3-D foam as desired.
